## ACCEPTABLE USE

### THE STUDENT'S ACCESS TO THE SERVICE MAY BE REVOKED FOR INAPPROPRIATE USE

Your The Student's continued access to the Service is conditioned on your appropriate use of the Service. Inappropriate use of the Service includes the following prohibited activities:

- (a) **Spamming or Invasions of privacy:**  
Sending of unsolicited bulk and/or commercial messages over the Internet using the Service or using the Service for activities that invade a person's privacy.
- (b) **Infringement of Intellectual Property Rights:**  
Engaging in any activity that infringes or misappropriates the intellectual property rights of others, particularly copyrights, but also including trade marks, patents, trade secrets, or any other third party proprietary right.
- (c) **Defamatory or abusive language:**  
Using the Service to transmit, post, upload, or otherwise make available defamatory, harassing, abusive, or threatening material or language that encourages bodily harm, destruction of property or harasses another.
- (d) **Fraud or forgery:**  
Advertising, transmitting, or otherwise making available any ponzi or pyramid schemes, fraudulently charging credit cards, or making fraudulent offers to sell or buy products, items, or services. Forging or misrepresenting message headers, whether in whole or in part, to mask the originator of the message.
- (e) **Hacking:**  
Accessing illegally or without authorisation computers, accounts, equipment or networks belonging to another party, or attempting to penetrate security measures of another system. This includes any activity that may be used as a precursor to an attempted system penetration, including, but not limited to, port scans, stealth scans, or other information gathering activity.
- (f) **Knowingly distributing Internet Viruses, Trojan Horses, or Other Destructive Activities:**  
Distributing information regarding the creation of and sending Internet viruses, worms, Trojan Horses, pinging, flooding, mail-bombing, or denial of service attacks. And any other activities that disrupt the use of or interfere with the ability of others to effectively use the network or any connected system, service, or equipment.
- (g) **Obscene materials:**  
Using the Service to advertise, solicit, transmit, store, post, display, or otherwise make available obscene or indecent images or other materials.
- (h) **Other Illegal Activities:**  
Using the Service in contravention of any other applicable law.
